Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Section 168.124, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 168.124, to read as follows:

168.124. 1. The board of education of a school district may place on leave of absence as many teachers as may be necessary because of a decrease in pupil enrollment, school district reorganization or the financial condition of the school district. In placing teachers on leave, the board of education shall be governed by the following provisions:

(1) No permanent teacher shall be placed on leave of absence while probationary teachers are retained in positions for which a permanent teacher is qualified;

(2) Permanent teachers shall be retained on the basis of performance-based evaluations and seniority (however, seniority shall not be controlling) within the field of specialization;

(3) Permanent teachers shall be reinstated to the positions from which they have been given leaves of absence, or if not available, to positions requiring like training and experience, or to other positions in the school system for which they are qualified by training and experience;

(4) No appointment of new teachers shall be made while there are available teachers on unrequested leave of absence who are properly qualified to fill such vacancies;

(5) A teacher placed on leave of absence may engage in teaching or another occupation during the period of such leave;

(6) The leave of absence shall not impair the tenure of a teacher;

(7) The leave of absence shall continue for a period of not more than three years unless extended by the board.

2. If a school district places a contracted teacher on leave of absence after

thirty days, but less than sixty days, subsequent to the governor signing the elementary and secondary education appropriation bill, the district shall pay the affected teacher a sum equal to one-quarter of the value of that teacher's contract. If a school district places a contracted teacher on leave of absence after sixty days subsequent to the governor signing the elementary and secondary education appropriation bill, but before half of that school year is completed, the district shall pay the affected teacher a sum equal to one-half of the value of that teacher's contract.
